DESCRIPTION

Introducing Nugget, the ultimate modular seating system that blurs the lines between office and home. Designed to be simple, modular, and versatile, Nugget allows you to create unique configurations for any space, from cozy offices to living rooms. With its fully sprung seat and good lower back support, Nugget provides the comfort and relaxation of a home product, while meeting the demands of contract furniture.

The modular design enables you to scale and alter configurations to suit your needs, making it perfect for both office environments and public spaces. With its compact design and endless possibilities, Nugget is the perfect solution for creating a warm and inviting atmosphere that brings people together.
