DESCRIPTION

ARC is a one-button recovery footstool with integrated low-frequency vibration technology that refreshes tired legs by supporting circulation, effortlessly, in just minutes.

ARC is intentionally simple by design. Sit down, press the button — recovery starts immediately. ARC delivers targeted low-frequency vibration directly to the lower legs — where circulation challenges and tension most often begin. This focused approach helps:

» **Legs feel lighter**
» **Tension ease**
» **Circulation improve**
» **Standing and walking feel easier**

ARC Footstool & ARC Chair

» **The recovery technology is integrated in the ARC footstool (pouf).**
» **The ARC Chair has no technology.**

Customers can choose:

» **ARC footstool only** (works with most lounge chairs)
» **Or the full ARC set** (chair + footstool)

Who needs it?

ARC is ideal wherever people spend long hours on their feet or sitting:

» **Offices & Workspaces**
Under desks, lounges, shared recovery areas
» **Airports & Lounges**
A simple reset before or after flights
» **Hotels & Hospitality**
Premium recovery for guests
» **Gyms & Sports Clubs**
Circulation support post-training
» **Healthcare & Elder Care**
Gentle, daily leg recovery
» **Public Spaces**
Compact, intuitive, and durable
